Fourteen German Catholic laymen from 10 independent societies organized Catholic United Financial in 1878, with a total of 485 members. They were concerned about men dying early in life and leaving behind a wife and children with absolutely no financial means of support.

We’re proud of the fact that we’ve grown strong financially over the past few years, and we’re certainly committed to preserving this strength. Our Association has remained strong over the years due to the quality of the investments we purchase to support the commitments we make to our members. This is by far the best example of our focus on the long run...

Financial strength comes from the total surplus of our Association. It cushions the market fluctuations of our investment portfolio, enables us to pay future benefits and claims to members, and supports the expenditures we make to serve existing and new members...

Total surplus grew by $12 million to reach $47 million during 2017 and has remained at this strong level throughout 2018. Net income from operations of $0.6 million coupled with a $0.5 million reduction in the employee pension liability served to increase total surplus. Unfortunately, these positive 2018 trends were offset by $1.9 million in unrealized “paper” losses on the Association’s $6.9 million equity investment portfolio at year end, since December 2018 was a dreadful month for the U.S. stock market — the worst since 1931. Good news came early in 2019 in that these unrealized losses were reversed as the stock market rebounded...

While the era of low interest rates has reduced the Association’s investment portfolio return steadily over the past decade, the overall return increased by four basis points during 2018 to end the year at 4.56%. This slight recovery is certainly welcomed, yet we will continue to stay our course and direct our investments with a perspective towards success in the long run...

FINANCES
Catholic Schools Raffle

The Catholic Schools Raffle began in 2009 as a way to give back to Catholic Schools in the area. The raffle is a fundraiser that raises money for Catholic Schools and has them keep every penny of the proceeds. Since 2009, the Catholic Schools Raffle has raised more than $8.5 million.

Each year the total amount raised rises, and the schools benefit more! Catholic United provides all promotional materials, raffle tickets and prizes for the program at no cost. Participating schools keep every dollar raised during the six-week ticket selling period. Funds raised by participating schools are used to enhance school programs and facilities, including funding field trips, building playgrounds, supplementing tuition costs and providing new education technology.

The Catholic Schools Raffle has brought so much joy to many over the years, not just schools but the recipients of the prizes as well.

65% of all K-8 Catholic Schools in Minnesota, North Dakota and South Dakota have participated one or more times in the Catholic Schools Raffle since 2009.

Gather4Good®

Gather4Good® brings people together across the Upper Midwest for a service activity to bring relief to those suffering from the effects of homelessness, abuse and poverty. The goal at each event is to assemble personal care kits that will be handed off to local charities and agencies for distribution.

Gather4Good® events are coordinated and run through a partnership between Catholic United staff, a local Catholic parish, and local charities who assist the mission of the project; past charity partners have included food shelves, homelessness and abuse shelters, counseling centers and community action councils.

At each event, volunteers of any religious background ages 2 to 102 assemble personal care kits in a fun, family-friendly atmosphere. Kits consist of soap, toothbrushes and personal messages of encouragement to the recipient. Supplies for care kits are funded by donations accepted through the Catholic United Financial Foundation, and Catholic United makes up the difference.

Gather4Good® had a record-breaking year in 2018. The project held five events — four public and one private — which resulted in 8,400 care kits assembled with the help of over 400 volunteers.
